

SHOW RULES

ALL EXHIBITORS ARE URGED TO READ AND OBSERVE THE SHOW RULES!!

1. EXHIBITORS: Exhibitors must be dues paying members of an affiliated or participating society of the American Dahlia Society. Exhibitors under the age of 18 are exempt from this rule.
2. ENTRIES: Upon arrival, exhibitors shall register in the proper grower classification and will be assigned an exhibitor number.
3. NUMBER OF ENTRIES: Exhibitors may make two (2) entries, each entry of a different variety, in each class, in Sections A, B, C, F, I, J, K, & L (unless otherwise noted). The first entry must be identified by the proper class number followed by the letter “A” and the second entry identified by the same class number followed by the letter “B”. Excess entries by an exhibitor in any class will cause all entries in that class by the exhibitor to be disqualified.
4. SET-UP: Exhibits must be in place and set-up area cleaned by the entry deadline of Saturday morning at 9:15 a.m. Entries not in by this time will not be eligible for competition and will not be judged. **THIS RULE WILL BE STRICTLY ENFORCED.**
5. VARIETY IDENTIFICATION: Exhibitors must have all blooms named before judging. This rule shall not apply to 1st, 2nd, 3rd or 4th year and older seedlings that will not be disseminated the following year and to varieties used in arrangements. Unnamed seedlings must be identified with a seedling number until they have been disseminated.
6. FOLIAGE: All dahlias entered in Section A, B, C, E, F, G, H and J must have at least the first pair of leaves below the bloom clearly visible and clearly attached to the stem.
7. CONDITION OF EXHIBITS: All exhibits must be maintained in superior condition until the show closes. Exhibitors are urged to replace wilted blooms with fresh ones. Blooms in bad condition will be removed by the show committee.
8. TYPE STANDARDS: All blooms (except seedlings) shall be shown as currently classified as to type by the Pacific Southwest Dahlia Conference (PSDC), or, if not so listed, by the American Dahlia Society (ADS). If not listed by either PSDC or ADS, blooms may be shown as grown. Any entry incorrectly entered will be disqualified. If classified by PSDC or ADS 2006 Classification Book, Unclassified Varieties sheet must be completed.
9. SIZE STANDARDS: All blooms shall be shown as classified by PSDC and/or ADS.
10. ELIGIBILITY AND DISQUALIFICATION: All blooms placed in competition (not including blooms entered in Section H and Section I) must be grown by the exhibitor. Any exchange, giving or borrowing of blooms in the staging of an exhibit will be cause for disqualification of the entire list of exhibits entered by the exhibitor(s) so involved.

11. POINTS AND AWARDS:
- a) Awards shall be given only to exhibits that are considered sufficiently meritorious by the judges.
 - b) When there is only one exhibit in a class, a first prize shall be awarded only if the judges consider the entry worthy.
 - c) A Sweepstakes Award shall be made to the exhibitors in Novice, Amateur & Open-to-All grower classifications who earn the most points in Sections A, B, and C. Points shall be awarded as follows:

Three (3) points for each first award and one (1) point for each second award. Entries receiving a Best in Section higher award shall receive five (5) additional points.
 - d) Section I shall have its own sweepstakes.
 - e) In Sections A, B, and C, an exhibitor shall compete only against other exhibitors in his own grower classification.
 - f) In "Open to All" sections and classes, exhibitors shall compete against each other regardless of grower classification. (I.e. Jr., Novice, Amateur)
12. THE LARGEST, MOST NEARLY PERFECT BLOOM: Each bloom shall receive up to 50 points for size and up to 50 points for quality. Each bloom's size shall be determined by multiplying the diameter by the depth. Quality shall be scored as follows: 10 points each for form, color, condition, foliage and stem. If, in the opinion of the judges, no entry is considered worthy, no prize shall be awarded.
13. FLOWER OF THE YEAR: A Flower of the Year bloom must be entered into the "Flower of the Year" class before that variety may be entered into either the Novice, Amateur or Open to All competition.
14. STAGING AIDS: No other flower, vegetation, or artificial or mechanical support shall be used in any entry except in arrangement classes. No material used as props in staging an exhibit is to show above the edge of the container.
15. LOSSES: The Society will not be responsible for the loss of, or damage to any exhibit or personal property including the return of containers.
16. EXHIBIT REMOVAL: No exhibit, or part of an exhibit, may be removed from the show prior to the close thereof without permission from the Show Manager. Any violation of this rule shall result in the revocation of all awards won by the offending exhibitor. All spills must be cleaned up immediately (including petals and leaves).
17. DISSEMINATION: Only disseminated dahlias (as defined by ADS) and second or third year or older seedlings may be shown in Section A, B, C, D and F. First year seedling dahlias may be

shown only in Section E. COMMERCIAL GROWERS: Commercial growers may exhibit only in "Open to All" classes including Section I.

18. JUDGES DECISION: The decision of the judges shall be final unless the Show Manager requests a rejudging. Such rejudging shall occur only if the Show Manager decides that a violation of the show rules has been made. Protests must be made in writing not later than one hour after completion of judging and the written protest must state which show rule has been violated.

ARRANGEMENT JUDGING CRITERIA

1. All Arrangements must feature DAHLIAS. Accessories, other flowers and foliage must be subordinate to the dahlias.
2. All arrangements, except complimentary exhibits, must be made in the show room by the exhibitor.
3. Dahlias of any form, maturity or size and/or sizes may be used in the arrangement classes. Artificial foliage or artificially colored foliage may **NOT** be used. Judging shall be 50% for arrangement and 50% for perfection of blooms. No exhibitor shall receive professional help in staging entries.

PHOTOGRAPH JUDGING CRITERIA

1. Each entry shall receive up to 50 points for quality of bloom and up to 50 points on quality of photograph. Photographs are to be either 5"X7" OR 8"X10" and matted. Photos must have been taken in the current or previous year's growing season.

FLOATING WATERLILY JUDGING CRITERIA

1. Blooms are to be staged so that they will float in a suitable container to fit the size of the bloom so that the petals are not overlapping the container. Entries will be judged on quality of bloom and how well the bloom fits in proportion to the container.

GROWER CLASSIFICATION

1. NOVICE: A grower will be considered a Novice until he/she has won three (3) sweepstakes awards at ADS shows.
2. AMATEUR: An Amateur is a grower who has won three (3) or more sweepstakes awards as a novice. An Amateur grower may never return to Novice status.
3. COMMERCIAL GROWER: A Commercial Grower is a grower who issues a list of dahlia tubers or plants he or any member of his immediate family has for sale or who uses printed material or other means identifying himself as a Commercial Grower. A Commercial Grower who no longer sells dahlia tubers for profit may return to Amateur status for exhibiting.
4. JUNIOR: A Junior grower is under age 18 at the time of the show. The exhibitor must provide basic care of plants with the exception of spraying. A special section is provided for Juniors.

5. ADVANCEMENT: Any exhibitor may voluntarily move up to a higher grower classification, but may not return to a lower classification.

Color Show

Each bloom has a specific A.D.S. number associated with it. This number specifies the size, form and color of the bloom. All grower classes will use the same A.D.S. number for entries and **it is therefore important to mark your grower classification on the entry card.**

Example: A bloom classified as "B-SC-Y" (B-Semi Cactus-Yellow) such as Hamari Accord, has the A.D.S. number 242. When showing Hamari Accord, Novice, Amateur and Open to All entrants will use 242 as the class # on the entry cards. A White Waterlily such as Porcelain has the A.D.S. number 601. All grower classes will use 601 as the class # on their entry cards.

Two (2) entries per class are allowed. That is, you may show two different BB-FD-Y, two different BB-FD-R, etc.
